

**ICAR-CRIDA & MANAGE, Hyderabad Collaborative online training program on  
Innovative Extension Strategies for Sustainable Natural Resource  
Management in Rainfed Agriculture**

**30 October - 03 November, 2023**

**Course Director(s):**

**Dr. C. N. Anshida Beevi**

**Dr. B. Renuka Rani**

**ICAR-Central Research Institute for Dryland Agriculture (CRIDA)  
Hyderabad**

## **Objectives**

- ➔ To impart knowledge on sustainable NRM technologies
- ➔ To familiarize the participants on various community-based extension approaches
- ➔ To sensitize the participants about innovative extension strategies in rainfed agriculture

## **Training Methodology**

The trainees will be selected based on the interest for participation and selected participants will be notified in advance. Training will be covering sustainable NRM practices for rainfed areas and suitable extension strategies. Certificates will be provided based on active participation and evaluation scores.

## **Training Participants**

Senior and middle level extension functionaries from the department of agriculture and other line departments, scientists from ICAR and KVKs and other research organizations, faculty of Agricultural universities, SAMETIs and NGOs and research scholars.

The selection of participants and detailed guidelines of training program will be intimated through e-mail. Upon selection, the candidates should immediately confirm their participation.

## **Important Dates**

Last date for receipt of applications: 20 October, 2023

Intimation to selected applicants: 26 October, 2023

## How to apply

The participants can apply online on MANAGE website and also with the help of link given below:
